WE
WELCOME

INSTITUTE OF BEAUTY

EST. 2019

We are a private Institute and was established on October 23, 2019, in Richland Hills TX. Institute Of Beauty is a Candidate for Accreditation by the Commission of the Council on Occupational Education. 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350, 770-396-3898

Our Mission: We aim to become the leading provider of training and teaching for those committed to learning. We are revolutionizing the world of beauty with our exceptional curriculum and tutelage.

Despite the popularization of make-up art and skill, people often don't understand the difference between professional training and other ways to learn. Professional courses and training are the easiest and smoothest path to build skills that you need to excel at make-up art - be it your hobby or a profession.

That's what we do at the Institute of Beauty. We are simplifying the learning process. The entire staff is committed to make education the most enjoyable and successful learning experience for our students, to be able to enter into a new career in Cosmetology, or Esthetics.
